

Lowry Construction & Mechanical LLC
2599 St. Anna Rd. Pembroke, NC 28372 Office: 910-522-1234

July 7, 2026

To Whom It May Concern:

It is my pleasure to recommend **Accure Underground Solutions LLC** for any underground utility, excavation, and infrastructure construction projects they pursue.

Lowry Construction & Mechanical LLC has had the opportunity to work with Accure Underground Solutions LLC and has found them to be a dependable, professional, and safety-conscious contractor. Their team consistently demonstrates a strong work ethic, technical expertise, and a commitment to completing projects on time while maintaining high standards of quality.

Throughout our experience, Accure Underground Solutions LLC has shown exceptional attention to detail, effective communication, and the ability to work collaboratively with project owners, engineers, inspectors, and fellow contractors. Their dedication to safety and compliance, along with their ability to adapt to changing job site conditions, makes them a valuable partner on any project.

We have been impressed by their integrity, reliability, and commitment to customer satisfaction. They approach every project with professionalism and take pride in delivering quality workmanship that meets or exceeds expectations.

Based on our experience, Lowry Construction & Mechanical confidently recommends Accure Underground Solutions LLC for future construction and underground utility projects. We are confident they will continue to provide the same level of excellence and professionalism that we have experienced.

Should you have any questions regarding our recommendation, please feel free to contact us.

Sincerely,

Lowry Construction & Mechanical LLC
