Re: Letter of Reference for Ms. Wendy Moore

To Whom It May Concern:

It is my pleasure to offer a letter of reference and support for Ms. Wendy Moore of 202 Main Street, Suite 102, Pembroke, NC. Over the last 10-years' time I have known Wendy and collaborated on residential and commercial work, she has consistently distinguished herself by clear thinking, even-handedness and excellence. Her character and commitment to quality are evident in her approach to handling construction/community related issues of various scales.

Thus I am honored to offer my strongest recommendation for Ms. Moore to be considered as prospect for Contractor tasks. I am confident she will render prompt quality services in a timely manner.

Should you wish to contact me for further information, please do not hesitate to call me.

Sincerely,
